Retractable Awnings for Decks and Patios

As in fashion, people have different styles and tastes. Your home is an expression of your unique style. NuImage Retractable Awnings offer that perfect blend between fashion and function. Our awnings elegantly enhance the quality of your home. Whether you want to make a bold statement or simply have your awning blend with your home, we offer over 200 beautiful fabric patterns and styles.

Distinctive homes and discerning homeowners deserve a premium awning. With excellence in every detail, you will enjoy your 8700 everyday.

**SUN WHEN YOU WANT IT...
SHADE WHEN YOU NEED IT.**

Your awning has an attractive look that makes an elegant statement. The awning is designed to provide shade without any unsightly poles to detract the view or passage. When you don't need your awning for shade – just simply press a button with the optional motorized remote. It is then retracted to blend with the lines of your home's exterior.

Home design and architecture should incorporate the need for functionality and easy living. NuImage Awnings go hand in hand with style and practicality to offer the utmost in shaded comfort. No matter how hot the weather, you can utilize your NuImage Awning with ease and piece of mind to fully enjoy your outdoor living space.

The 8700 is made to your exact specifications and installed by one of our independent awning professionals.

Shade is Cool...

Hot days call for a cool solution. Take back your deck or patio! No more crowding under an umbrella needing adjustment as the sun moves. No more staying inside to avoid the sweltering sun. It feels 20 degrees cooler under an awning.

RELAX! IT'S TIME TO UNWIND.

Features

Weatherguard Cover Protects fabric from rain, snow and sun. Strongly suggested on motorized units.

Available in more than 200 beautiful acrylic fabric patterns and colors

All arms have a stainless steel chain tension system for maximum durability.

Flex-pitch shoulder

Our unique wrapped front bar design provides a clean uniform appearance.

***Important Note:** Retractable awnings are designed for sun protection only. Warranties will not cover damage caused by adverse weather conditions such as wind, rain, snow or sleet.

White Glove Service

Offered exclusively by NuImage Awnings Dealers, White Glove Service has again set a new ultra-high industry standard. Your distinctive homes deserve the care and attention to detail that comes with the service of our awning professionals. Our high quality awnings weigh as much as 300lbs so leave the awning do-it-yourself jobs to others. Every aspect of your new awning, from the point of order to the completion of installation is handled by factory trained professionals to assure perfection everytime. Exceeding your expectations: it's what you deserve, and it's what we will deliver—guaranteed!

WHERE FASHION MEETS FUNCTION.

May be roof mounted when wall space height requirements cannot be met.

Add an optional Weatherguard Hood Cover to protect your fabric from the elements and dirt while retracted. Recommended for motorized awnings.

You may add a drop screen on awnings up to a 11'8" projection.

With our optional motor, a simple push of a button opens or closes your awning effortlessly.
